

Midland College Lady Chap

Free Throw Frenzy

Dear Lady Chap Supporter –

The Lady Chap basketball team has once again hit the court running and preparing for the 2017-2018 season. The Lady Chaps look forward to the season and would like to ask for your support. Expectations are high and we are hoping that you will join us for the challenges and excitement that lie ahead.

While the Lady Chap Basketball Program has enjoyed great success, this annual fundraising effort helps to enhance our program. It is not only the players and the coaches on the court, but people like YOU that make a difference. The Lady Chaps will be hosting the **15th Annual Free Throw Frenzy** on **Sunday, October 29th at 2:00pm** in the PE building. Funds raised will help the Lady Chap basketball program with its many financial needs they encounter throughout the season and in the future. Please consider sponsoring a Lady Chap and thank you for your support in advance.

The **Free Throw Frenzy** will be held in the P.E. building at Midland College. Each individual Lady Chap player will be shooting a total of 100 free throws. Now here's your challenge...you may make a pledge toward every made free throw that the player completes out of 100 attempts. Please complete and return the form below right away!!!! If you happen to miss the date and/or cannot attend the **Free Throw Frenzy**, we welcome any donation you would like to offer!

_____ complete and return bottom portion _____

**We have enclosed an additional copy of this letter, and encourage you to continue the support by making 5 copies and share with your friends and family.
